(если у Вас есть вопросы или Вам нужна помощь в оформлении заказа, обратитесь в Службу поддержки Виртуальной Школы по адресу support@englishskills.zendesk.com)

1. В торговой корзине в графе «Coupon code» введите код купона – **THANKYOU** - и нажмите кнопку «Apply».

The screenshot shows a shopping cart titled "Your Shopping Cart" with a security notice "Your order is safe and secure". The cart contains one item: "Power English Class [Season One, Silver, RU - 12 pay]" with a quantity of 1, priced at \$227.00. Below the item list, there is a "Coupon code (optional):" field containing the text "THANKYOU" and an "Apply" button. Red arrows and numbers 1 and 2 point to the coupon code field and the "Apply" button, respectively. The subtotal is \$227.00 and the total is \$227.00.

2. Платежная система автоматически произведет перерасчет стоимости с учетом 30% скидки.

The screenshot shows the same shopping cart after the coupon has been applied. A green notification bar at the top states "Your coupon has been applied." The coupon code "THANKYOU" is now displayed in green with a checkmark and a "(Remove)" link. The "Apply" button is still present. The subtotal remains \$227.00, but a new "Discounts" line is added, showing a discount of \$68.10. The final total is now \$158.90. A red arrow points from the "Apply" button to the updated total.
