### You Are My Valentine

I like tigers, I like cats,  
But you're my Valentine.

I like zebras, I like bats,  
But you're my Valentine.

I like crocodiles, I like frogs.

I like dinosaurs, I like dogs.

I like butterflies, I like bees.

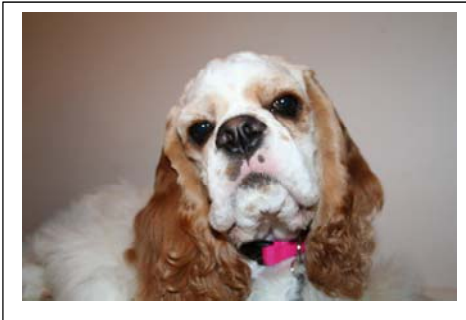

But you're my Valentine.

Yeah, yeah, yeah.

I like butterflies, I like bees.

But you're my Valentine.

### 3. Blue Elvis: "9 Ways to a Woman's Heart"

When it comes to women,  
I discovered early on what works for me:

Что касается женщин, я с раннего возраста сделал для  
себя открытие о том, как найти к ним подход

Admire her sincerely.

Buy her gifts...

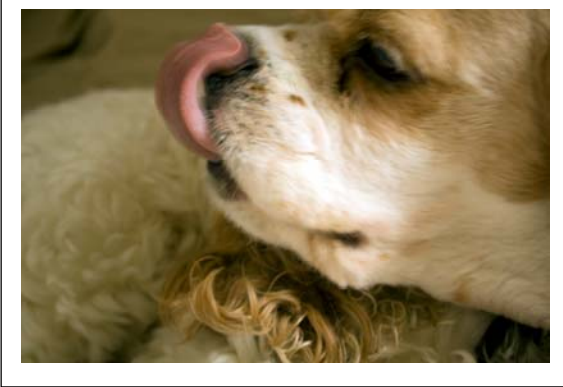

Обожай ее искренне.

Покупай ей подарки...

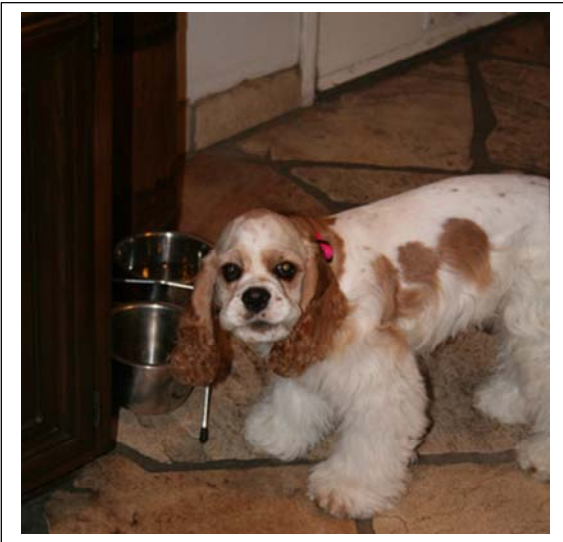

...or at least compliment her on  
the gifts she buys herself...

... Или, по крайней мере, хвали  
подарки, которые она сама себе  
покупает...

Always praise her cooking...

Всегда хвали ее стряпню...

...even if it comes out of a box...

... даже если она достала ее из коробки...

Never compare her to your mother...

... Никогда не сравнивай ее со своей мамой...

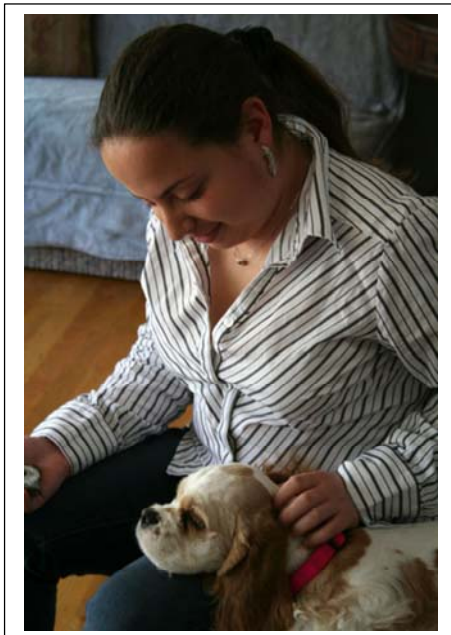

Don't offer unsolicited advice... especially when it's too late to undo it...

Не давай непрошенных советов... особенно когда уже поздно что-либо поправить...

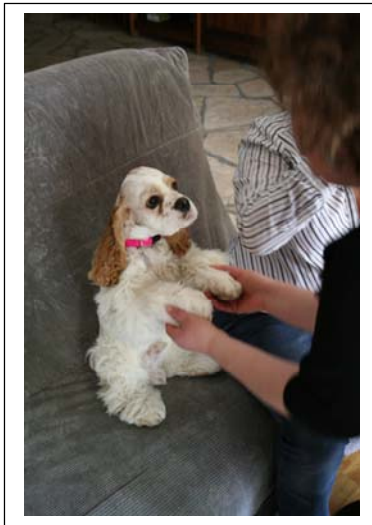

Don't try to fix her problems...  
...when all she wants is for someone to listen...

Не пытайся решать ее проблемы,...  
... когда ей просто надо, чтобы ее кто-нибудь выслушал...

Be cuddly... and she won't notice you are verbally challenged...

Будь ласковым... и она не заметит, что ты не мастер разговорного жанра...

Hold her hand often ...

Почаще держи ее за руку...

Be discreet...

Умей молчать (будь тактичен)...

... Never brag about your conquests...

... Никогда не хвастай своими победами...

... Make sure they never meet...

... Сделай все, чтобы они не встретились...

... or, if they do, that they'll have only good things to say about you...

... а если встретятся, чтобы говорили о тебе только хорошее...

Follow these simple rules – and I guarantee you plenty of loving. What can be better than this? After all, all you need is... Love ...Right?

... Соблюдай эти простые правила – и я гарантирую, что ты будешь всеми любим...

Что может быть лучше? ... Ведь все, что тебе надо, это Любовь... Так?

#### 4. Kenny Rogers: "Buy Me a Rose"

He works hard to give her all he thinks she wants  
A three car garage, her own credit cards  
He pulls in late to wake her up with a kiss good night  
If he could only read her mind, she'd say:

##### Chorus :

Buy me a rose, call me from work  
Open a door for me, what would it hurt  
Show me you love me by the look in your eyes  
These are the little things I need the most in my life

Now the days have grown to years of feeling all alone  
And she can't help but wonder what she's doing wrong  
Cause lately she'd try anything to turn his head  
Would it make a difference if she said:

##### [Chorus]

And the more that he lives the less that he tries  
To show her the love that he hold inside  
And the more that she gives the more that he sees  
This is a story of you and me

So I bought you a rose on the way home from work  
Opened the door to a heart that I hurt  
And I hope you notice this look in my eyes  
Cause I'm gonna make things right *[going to]*  
I'm gonna hold you tonight *[going to]*  
Do all those little things  
For the rest of your life.

## 5. Declaration of Love: "I love you when..."

"I love you when you talk,  
 I love you when you are silent.  
 I love you when you cry,  
 I love you when you smile.  
 I love you when you eat,  
 I love you when you sleep.  
 I love you when you are happy.  
 I love you when you are sad.  
 I loved you yesterday,  
 I love you today,  
 I will love you tomorrow..."

## 6. Valentine Wish for YOU: "Love Yourself"

My wish for you is that you live in greater love and acceptance of yourself, life and everyone else...

Я желаю Вам жить с любовью к себе и принимать себя, жизнь и всех в ней...

...that you refrain from judging yourself. Instead of asking, "What's wrong with me?" you will ask, "What's right about me?"

... воздерживаться от самоосуждения. Не спрашивать: «Что со мной не так?» А спрашивать: «Что у меня в полном порядке?»

...that instead of working on your weaknesses, you start working on your strengths.

... желаю, чтобы Вы перестали работать над своими слабостями, и начали работать над своими сильными сторонами...

My wish for you is that you follow this practice every day of your life... and that every day of your life will feel like a Valentine's Day!

Я желаю Вам следовать этой практике каждый день Вашей жизни... и чтобы каждый день Вашей жизни был Днем Любви!
